SUBJECT: Thank you letter for my new position of Vice President EITF

Dear All,
Dear Grand Masters, Senior Masters and Masters,
Dear Presidents ITF, NGB'S and participants

With the present e-mail I'd like to thank the World President Ri Yong Son, the European President GM Michael Prewett, all the ITF members and every single participant to have been chosen to hold the job of Vice President EITF, during the last European Championship which took place in Greece from April 11th to April 17th.

It was an interesting and exciting meeting. The team spirit and our synergy created in the last years have contributed and will add value to the success of these events.

I'm very proud and excited about collaborating with you in this task and working with experts of a such value and experience.

I hope to contribute to the growth and the diffusion of this wonderful martial art, in order that it can be increasingly considered and promoted and I will work hard actively to reach this objective, trying to carry out this activity as best I can.

Finally, I would like to say that this isn't the success of a single person, but of all those who have always supported me, and it's a position that must be of service of everyone.

Yours in Taekwon-Do

Ruggiero Lanotte
President of the Italian Taekwon-Do Federation (ITF-Fitsport)
Vice President EITF
